Dear Miss Hellman:

My name is James Furner and for the last six years, I have been collecting the signatures of world famous people. I would be deeply honored to add your signature to those of Presidents Nixon, Johnson, Kennedy, Eisenhower, Truman and Hoover, 51 of our astronauts, seven Russian cosmonauts, Robert and Edward Kennedy, Hubert Humphrey, George Wallace, Eugene McCarthy, John Steinbeck, Pearl S. Buck and others. I would like to add yours to these. A signed letter and or picture would be appreciated and would be a huge addition to my collection.

Continued success to you and yours.

Lillian Hellman

Sincerely yours,

James Furner
